"UNITY"

Dr. Cherry Leads Drive For Unity

UNITY

Unity is a sense of love for your fellow man
Caring and sharing all of your plans.
Unity is being able to share your thoughts
While knowing that your thoughts are being heard
And knowing your words are not just words.
Unity means to love, have love and need love.
God put us here to love one another and come together, forever
Being equal to all because the world is small,
We shall all stand and grow tall.
For the LOVE of GOD let's come together one and all;
Unity is love, not only for people but for all the beautiful things God made
Let's one day come together, and stay together
No matter Race, Color or Creed, let's join
Hands with your sisters and brothers and
Respect each other like your fathers and mothers.

School reopened on August 30, 1977 ending the joy of vacations, summer jobs, daytime television, swimming and for some summer school. All this gave way to school sports, homework, and chilly weather. Soon students began to get involved in school activities and the memories of summer were soon forgotten. The Manor Mustangs began to live the epic story of 1976-1977. Mustangs began to establish new traditions and activities. Some traditions were borrowed from other schools, but most of the traditions are from the minds of Mustangs. So read on as "The 1977 Mustang" staff tells you the story of UNITY!!!

Our Time At Manor

Tomorrow we'll look back on all these years
Friendships we treasured so dear and hoped would never part
It won't be too long until it is tomorrow
And today will be just memories of the past.

How can we be sure of what's to follow?
When we have never passed that way before
Because of our time at Manor
We will be better prepared to face the world alone.

How can we be sure of what's to follow?
When we have never passed that way before
Because of our time at Manor
We will find the world as an open door.

Senior Class Officers--LEFT TO RIGHT--Wanda Moody--Secretary, Barbara Taylor--Treasurer, Samelia Webster--President, Donna Williams--Asst. Treasurer, Linwood Dillard--Vice President.

The Senior Class sponsored two Talent Shows as money raising projects. The money was used to finance a trip to Atlanta Georgia. The talent shows were successful and after the April Fool's show a dance was given.

The Senior Class' trip to Georgia proved to be not only educational but also enjoyable. They toured Atlanta and visited Stone Mountain. On the second day, they visited Six Flags. They found Six Flags enjoyable with its rides, games, and various entertainments. They also visited Martin Luther King's birthplace.

Seniors kept their spirit even after returning home. First, there was the Senior Assembly, followed by Senior Week which included Kiddie Day, Bum Day, Fifties Day, and Jeans and Shades Day.

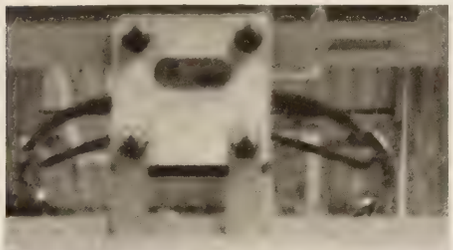
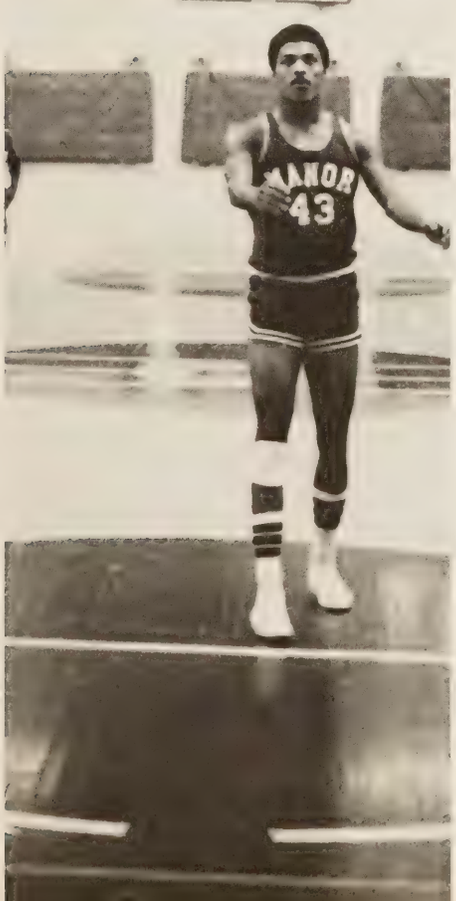
Manor Basketball

The Manor High School Varsity Basketball team had its best season this year. They tied for 5th in the district competition. Getting off to a good start with a 9-2 record, they finished with a record of 11-10. For the second consecutive year, they won the Portsmouth Catholic Invitational Tournament.

Gets Better Every Year





Reggie Smallwood, 6'4" forward, led the team in rebounds and scoring. He scored 1,086 points, making him the only basketball player in Manor's history to score over 1,000 points. He ended his 1976-1977 season with the title of All District, All Metro, Most Outstanding Player in the City of Portsmouth, and the third highest scorer in the State of Virginia.

Cheerleaders Keep Manor's Spirit Up

Manor's largest varsity cheering squad consisted of fourteen girls. They worked hard to raise money to pay their way to camp at Virginia Intermont College in Bristol, Virginia. After spending three days, almost twelve hours each day jumping, screaming, yelling, and learning new cheers, these cheerleaders walked away with three superior blue ribbins, a spirit megaphone, and a first place trophy.

Manor's squad was led this year by Tri-captains: Angelia Pulley, Tricia Rivenback, and Debbie Conrad. Everyone worked hard preparing for pep rallies, basketball games and other activities.

1976-77 SCA Officers: Jimmy Padgett--President, Vernet Hatcher--Treasurer, Beth Hester--Vice President, Tommy Marfio--Steering Committee Chairman, Deborah Vaughan--Publicity Chairperson, Ron Shepard--Advisor

The Student Council Associations theme for the 1975-77 school year was "The SCA Leads the Way." This year was the most successful year ever at Manor for the Student Council. Some of the year's activities included: a used bookstore; a 19 float Homecoming Parade, the largest ever; the collection of food for the Salvation Army. They also sponsored the city-wide United Way campaign for high schools and co-sponsored the first Annual Homecoming Banquet.

Their two most eventful activities were the campaign for a smoking area at Manor in which the SCC appeared before the School Board (no decision as of June 10, 1977) and the Red Cross Blood Drive in which Manor students gave 200 pints of blood. For their participation in the blood drive, Manor's SCA received an award for the most active community-minded high school club.

The SCA president, Jimmy Padgett, received the coveted Principal's Award for outstanding student at the Awards Day Assembly. For his contributions to the school, the SCA sponsor, Ron Shepard, received the Principal's Award at the Faculty-Administration dinner.
